LEARNING ZONES: Art & Design

DESIGNED BY CHARLOTTE STOWELL

STORE CUPBOARD

- A4 coloured card
- Extra card
- A ruler
- A ball point pen
- Scissors
- Glue
- Felt pens
- Ribbon

1 Follow the measurements on the template to make the card shape.

2 Score along the lines and fold the card into a zigzag shape.

Get an adult to help you score the lines. This could be done with a craft knife or you could use an old ballpoint pen instead.

3 Cut out some Easter shapes from coloured card and decorate with felt pen patterns. Glue the bottom of each shape and stick onto the zigzag folds on the card.

4 Write or print out an Easter message and glue it onto the card.

HINTS & TIPS

- Using ribbon or strips of wrapping paper is a quick and easy way to decorate your card.
