2. Policy Guide

2.1. Your policy

- a) The **policy** is made up of this document and the **schedule** (including any substitution schedule) and endorsements.
- b) Together these documents form the **policy** and set out the scope of this insurance.
- c) **Your policy** is a legally binding insurance contract. Please read all parts carefully and if **you** require clarification of the terms, conditions or exclusions, please contact **your** broker.
- d) If **you** wish to make adjustments to **your policy**, or **you** believe that it does not meet **your** needs, please return it to **your** broker for alteration.
- e) All headings in the **policy** are included in bold. Other than in the headings, words in bold carry specific meanings which are set out in the 'General Definitions' or within any definitions specific to and contained within any **section** or **sub-section** of this **policy**.
- f) Words importing the singular will include the plural and vice versa and words importing the masculine will import the feminine and the neuter. References to 'a person' will be construed to include any individual, company, partnership or other legal entity.
- g) Any reference to legislation or regulations or industry guidance or standards in the **policy** extends to apply to any, or any subsequent, amending or replacement legislation or regulations, guidance or standards and to other legislation or regulation, guidance or standards of similar intent if applicable.
- h) Any reference to the United States of America includes its territories and possessions.

2.2. Navigation

- a) Each **section** sets out the extent of cover, how the indemnity under this **policy** may be limited or excluded and other relevant terms and conditions applicable to that **section**. Cover is subject to the terms, conditions, limitations and exclusions of the **policy**.
- b) Certain terms that may apply to a **section** or may apply to the whole **policy** are also set out in:
 - i General Definitions;
 - ii General Exclusions;
 - iii Claims Conditions and Requirements;
 - iv General Terms; and
 - v How to Complain.
- c) Unless expressly stated otherwise elsewhere in the **policy** **sums insured, limits of indemnity, limits of liability, maximum amounts payable, maximum accumulation limit** and **compensation limits** are set out in the **schedule** and operate in accordance with the relevant provisions in the relevant specific **sections**, the 'General Definitions' **section** and/or the 'General Terms' **section** of the **policy**.
- d) The 'Legal Expenses' **section** includes its own terms and conditions which take precedence in the event of any conflict with any other **section** of the **policy**.

2.3. Fair presentation

- a) It is important that **you** have made a fair presentation of the risks insured by the **policy**, in accordance with the terms of the Insurance Act 2015.
- b) **Your** obligations in this regard, and **our** rights, are as set out in the Insurance Act 2015. **We** would advise **you** to obtain full details from **your** broker.
- c) If **you** have failed to make a fair presentation of the risk, this could lead to a reduction in the amount for which **we** will indemnify **you**, no payment being made under the **policy**, or the **policy** being treated as never having come into force in the first place, depending on the circumstances.

2.4. Conditions precedent

- a) The **policy** contains a number of terms which are conditions precedent to **our** obligation to indemnify **you** under the **policy**. These terms are specifically identified where they appear in the **policy** by the words “CONDITIONS PRECEDENT” which appear in capitals next to the title of the term.
- b) The consequences for breach of conditions precedent are serious. Unless **you** can demonstrate that any non-compliance with the requirements of these clauses has caused no prejudice to **us** in relation to a claim under the **policy**, **we** will have no liability for such claim.
- c) Additional terms may also be included in any endorsements to the **policy**, and **you** should check these carefully as they may also be conditions precedent to **our** obligation to indemnify **you** under the **policy**.

2.5. Sums insured limits of indemnity, limits of liability, maximum amounts payable, maximum accumulation limit and compensation limits

- a) The **sums insured, limits of indemnity, limits of liability, maximum amounts payable, maximum accumulation limit and compensation limits** (as applicable) act as a cap on the amount for which **we** will indemnify **you** under this **policy**. The way these provisions operate is set out in the relevant specific **sections**, the ‘General Definitions’ **section** and/or the ‘General Terms’ **section** of the **policy**.
- b) It is essential that the applicable **sums insured, limits of indemnity, limits of liability, maximum amounts payable, maximum accumulation limit and compensation limits** (where applicable) are adequate for **your** needs. If a claim against **you** exceeds the **sums insured, limits of indemnity, limits of liability, maximum amounts payable, maximum accumulation limit and compensation limits you** will face uninsured liability and costs.
- c) It is **your** responsibility to request appropriate **sums insured, limits of indemnity, limits of liability, maximum amounts payable, maximum accumulation limit and compensation limits**. If **you** are in any doubt as to the adequacy of any **sums insured, limits of indemnity, maximum amounts payable, maximum accumulation limit and compensation limits** contained in the **policy**, **you** should contact **your** broker and seek advice.

2.6. Setting your sums insured

- a) For cover under the **sections** where you are required to have **sums insured** (for example, the ‘Property Damage’ and ‘Business Interruption’ **sections**, but not including the ‘Equipment Breakdown’ **section**, ‘Portable Equipment’ **section** and ‘Cyber’ **section** if insured by this **policy**) it is important that **you** check that all **sums insured** stated in the **schedule** are correct. The **sum insured** should be set at the maximum amount for which **we** could indemnify **you** under the ‘Basis of Settlement’ conditions for the applicable **sections** were that item of **property insured** to be entirely destroyed. If **you** are in any doubt **you** should ask **your** broker for advice.
- b) **Sums insured** are subject to the ‘Average’ condition in the ‘General Terms’ **section** unless expressly stated otherwise. This means that if at the time of any loss the total **sum insured** specified in the **schedule** is less than eighty-five percent (85%) of the total value of the **property insured** the amount **you** are able to claim under this **policy** will be reduced and **we** will bear only that proportion of the loss which the total **sum insured** bears to the total of the **property insured**. For example, if the **sum insured** for **property insured** is £250,000, but the **sum insured** ought to have been £500,000, **we** will only pay fifty percent (50%) of the valid claim. The way that this works is explained in the ‘Average’ condition in the ‘General Terms’ **section**. Please note that any underinsurance within the margin of error afforded by an ‘Average’ condition does not relieve **you** of **your** obligation to make a fair presentation under the Insurance Act 2015.

2.7. Premium payment

- a) **We** will indemnify **you** in accordance with and subject to the terms of the **policy**, in consideration of the payment to **us** of the premium set out in the **schedule** for the **period of insurance**.
- b) Unless expressly stated otherwise in a separate written agreement, if **you** do not pay any premium or premium instalment plus applicable taxes/levies to Morton Michel or **us**, **we** may give **you** written notice cancelling the **policy** with effect from the seventh (7th) day after the notice has been served on **you**.

- c) The **policy** will continue if the late premium instalment and any other remaining premium instalments are paid and accepted before the cancellation takes effect.
- d) Notice of cancellation is deemed to be served on the third (3rd) day after being posted by pre-paid letter to the correspondence address set out in the **schedule**.
- e) In the event of cancellation, premium is due to **us** on a pro rata basis for the period that **we** are on risk. However, the full contract premium shall be payable to **us** in the event of a loss or occurrence prior to the date of termination, which gives rise to a valid claim under this contract.
- f) **We** may, at **our** discretion, deduct overdue unpaid premium from claims settlements but shall not set off or deduct premium that is not overdue. Pursuant to **your** and **our** obligations under any relevant compulsory insurance legislation, **we** shall not set off or deduct premium from any amounts payable under the 'Employers' Liability' **section**.

2.8. Cooling off period

- a) **You** may cancel this **policy** by giving written notice to **us**, quoting **your policy** number, within fourteen (14) days from the inception day of the **policy**. **You** have the right to cancel the **policy** free of charge and to receive full refund of premium under this **policy**, provided that there have been;
 - i no claims made under the **policy** for which **we** have made a payment;
 - ii no claims made under the **policy** which are still under consideration;
 - iii no incident likely to give rise to a claim but is yet to be reported to **us**;
 during the current **period of insurance**.
- b) This termination will be without prejudice to **your** or **our** rights or claims incurred prior to the expiration of such notice. If a claim has been submitted or there has been any incident likely to give rise to a claim during the current **period of insurance** no refund for the unexpired portion of the premium will be given.
- c) Please refer to the 'Your Rights to Cancel the Policy' condition in the 'General Terms' **section** for full details of **your** rights where **you** wish to cancel this **policy** including after fourteen (14) days from the inception day of the **policy**.

6.5.1. Basis of Settlement

In the event of accidental **damage** to property insured by this **section** the basis upon which the amount payable will be calculated will be:

- a) **stock and specified stock**: the cost price of replacing the goods at the time of such **damage**;
- b) deeds, documents, manuscripts and business books: their value as stationery only and the cost of clerical labour expended in writing up but not including the value to **you** of the information contained therein;
- c) computer systems records: the value of the materials only and the cost of clerical labour and computer time expended in reproducing the records, but not including the value to **you** of the information contained therein or for any expense in connection with the production of information to be recorded therein;
- d) patterns, models, moulds, plans and designs: the value of the materials only and the cost of labour expended in **reinstatement** of such property;
- e) rent: the amount payable for rent will be calculated as the loss of rent payable to **you** or payable by **you**, as described in the **schedule**, whilst necessary **reinstatement** is carried out following such **damage** to the **buildings** which makes them uninhabitable, subject to a maximum term stated in the **schedule**;
- f) all other **property insured**: the reinstatement of the property lost, destroyed or damaged.

For this purpose "reinstatement" means:

- i. the rebuilding or replacement of property lost or destroyed which, provided that **our** liability is not increased, may be carried out:
 - (a) in any manner suitable to **your** requirements;
 - (b) upon another site;
- ii. the repair or restoration of property damaged;

in either case to a condition equivalent to or substantially the same as but not better or more extensive than its condition when new";

- i if at the time of such **damage** the **sum insured** on the **property insured** is less than the cost of reinstatement then **you** will be considered as being **your** own insurer for the difference and will bear a proportionate share of the loss;
- ii **our** liability for the repair or restoration of property which is only partially damaged will not exceed the amount which would have been payable had the property been wholly destroyed;
- iii no payment beyond the amount which would have been payable in the absence of this 'Basis

of Settlement' will be made:

- (a) unless reinstatement commences and proceeds without unreasonable delay;
 - (b) until the cost of reinstatement has actually been incurred;
 - (c) if at the time of such **damage** the **property insured** is insured by any other insurance effected by **you** or on **your** behalf which is not upon the same basis of reinstatement;
- iv where for any reason no payment is to be made on the basis of repair or reinstatement as new (liability being otherwise admitted) then the amount for which **we** will indemnify **you** will be calculated as if this 'Basis of Settlement' clause had not been incorporated in this **section** and the 'Basis of Settlement' will then be deemed to read:

"following accidental **damage** and subject to the adequacy of the **sum insured** and the 'Maximum Amount Payable' condition in this **section** **we** will pay the value of the **property insured** at the time of the accidental **damage**, or the amount of such **damage** as may be, after appropriate allowance for wear, tear or depreciation or at **our** option replace, reinstate or repair the lost, destroyed or damaged property."

25. General Exclusions

The following 'General Exclusions' apply to all **sections** and **sub-sections** of this **policy** including any extensions, unless otherwise expressly provided either in this **section** or in another **section** of the **policy**.

In some cases a 'General Exclusion' has particular relevance to the cover provided under an extension and so it is highlighted in the extension. However, in such cases (i) the extension in question remains subject to all other general exclusions and (ii) the exclusion so highlighted remains applicable to all other parts of the **policy** and not just the extension where it is highlighted.

Defined terms (in bold) in the **sub-sections** below may be found within the 'General Definitions' **section** and/or within the specific definitions within other **section(s)** (to which the individual **sub-sections** below may relate). Where a term is defined in both the 'General Definitions' **section** and/or in one or more other **sections**, the specific definition relevant to the **section** will prevail.

Unless expressly provided otherwise, **we** will not indemnify **you** for any loss, or liability which is caused or contributed to by any of the following:

25.1. General Exclusions applicable to all sections

in respect of the 'Employers' Liability' and 'Public and Products Liability' **sections** only:

- a) **cyber act** or **cyber incident** including, but not limited to, any action taken in controlling, preventing, suppressing or remediating any **cyber act** or **cyber incident**; or
- b) loss of use, reduction in functionality, repair, replacement, restoration, reproduction, loss or theft of any **data**, including any amount pertaining to the value of such **data**;

regardless of any other cause or event contributing concurrently or in any other sequence thereto, and subject to the provisions below.

Paragraph 25.1.3. a) above will not apply in respect of any actual or alleged liability for:

- i any ensuing third party bodily injury, death, physical illness or disease; or
- ii any ensuing physical **damage** to or destruction of third party property;

caused by a **cyber incident**, unless that **cyber incident** is contributed to by a **cyber act**.

This exclusion will not apply to:

- a) the 'General Data Protection Regulations' extension in the 'Public and Product Liability' **section** only if the 'Public and Product Liability' **section** is specified as 'Insured' in the **schedule**; or
- b) any consequent **personal injury** or **damage** caused by **act of terrorism**, for which cover is expressly provided elsewhere in the **policy** and if specified as 'Insured' in the **schedule**.

We will not indemnify **you** for any action taken in controlling, preventing, suppressing or remediating a **cyber incident** or a **cyber act**.

regardless of any other cause or event contributing concurrently or in any other sequence thereto, and subject to the provisions below.

However:

- i. paragraph 25.1.4. a) above will not apply to any **damage** to **property insured** and resulting business interruption under this **policy** caused by any fire or explosion directly and solely caused by a **cyber event** although paragraph 25.1.4. a) will continue to apply where the **cyber event** is itself caused by a **cyber act**;
- ii. paragraph a) above will not apply to any claim, loss or **damage** for which **we** would otherwise indemnify **you** under the ‘Equipment Breakdown’ **section** in this **policy**, although paragraph 25.1.4. a) will continue to apply where the claim, loss or **damage** is directly or indirectly caused by a **cyber act**;
- iii. paragraphs 25.1.4. a) and b) above will not apply to any claim, loss or **damage** for which **we** would otherwise indemnify **you** under the ‘Computer breakdown’ extension in the ‘Equipment Breakdown’ **section** only if the ‘Equipment Breakdown’ **section** is specified as ‘Insured’ in the **schedule**, although paragraphs 25.1.4. a) and 25.1.4. b) will continue to apply where the claim, loss or **damage** is directly or indirectly caused by a **cyber act**.

Paragraph 25.1.4. b) above will be subject to the proviso that, should **data processing media** owned or operated by **you** suffer **damage** insured by this **policy**, then this **policy** will cover the cost to repair or replace the **data processing media** itself plus the costs of copying the **electronic data** from back-up or from originals of a previous generation. These costs will not include research and engineering nor any costs of recreating, gathering or assembling the **electronic data**. If such media is not repaired, replaced or restored the basis of valuation will be the cost of the blank **data processing media**. However, this **policy** excludes any amount pertaining to the value of **electronic data**, to **you** or any other party, even if such **electronic data** cannot be recreated, gathered or assembled, other than to the extent that such cover is provided under the ‘Computer breakdown’ extension in the ‘Equipment Breakdown’ **section**, if the ‘Equipment Breakdown’ **section** is shown as ‘Included’ in the **schedule**.

This exclusion will not apply to any claim or loss for which cover is expressly provided under the ‘Terrorism’ **section** of in the **policy** if this is shown as ‘Insured’ in the **schedule**.

regardless of any other cause or event contributing concurrently or in any other sequence thereto, and subject to the provisions below.

In any action, suit or other proceedings where **we** allege that by reason of this exclusion any **damage**, loss, interruption or interference or **personal injury** or **bodily injury** is not covered by the **policy**, the burden of proving that such loss is covered will be upon **you**.

This exclusion will not apply to the extent that if it did not apply, any claim would be covered by the 'Employers' Liability' **section** and the 'Terrorism' **section** if shown as 'Insured' in the **schedule**.

This exclusion does not apply to the 'Public and Product Liability' and 'Cyber' **sections** which contain a separate exclusion in relation to **war** and **act of terrorism**.

26.3.3. **Fraudulent Claims**

For the purposes of this condition the definition of '**you, your, yours, policyholder**' will also include any person who is entitled to benefit from the **policy** to the extent that a claim is made by or on their behalf.

If **you** or anyone acting on **your** behalf make a fraudulent claim **we**:

- a) will not be liable to pay any part of the claim;
- b) may recover from **you** any sums already paid by **us** to or on behalf of **you** in respect of the claim;
- c) may notify **you** that **we** are treating the **policy** as having terminated with effect from the time of the fraudulent act. Where **we** treat this **policy** having terminated **you** will have no cover under this policy from the date of termination and will not be entitled to any refund of premium.

Where a fraudulent claim is made by or on behalf of a person that is not the **policyholder** this condition applies to that person's claim and references to '**this policy**' should be read as if they were references to the cover for that person alone and not to the **policy** as a whole.

Fraudulent claims include but are not limited to:

- i making a claim which is fraudulent, fictitious or known to be false;
- ii intentionally exaggerating or inflating a claim;
- iii supporting a claim with false or forged documents, information or statements;

26.3.5. **Our rights**

For every **claim**:

- a) **we** will have conduct of any potential insured claim which may be subject to an indemnity and may take over the defence or settlement of any claim in **your** name;

- b) **we** may at any time pay the applicable **limit of indemnity, limit of liability, maximum amount payable, maximum accumulation limit** or **compensation limit** (after deduction of any sums already paid) or such lesser sum for which the claim can be settled and on payment will relinquish the conduct and control of the claim and thereafter be under no further liability except (where payable under the relevant **section**) for payment of **defence costs** incurred prior to the date of payment;
- c) **we** may at any time require **you** to reimburse **us** for payments made under the **sections** that do not exceed the **excess**;

- c) **You** or any other party insured by the **policy** must, at **our** request and expense undertake such acts as may be required for the purpose of enforcing any rights and remedies whether or not **we** have indemnified **you**. If **you** have any uninsured losses that are properly recoverable against a third party which **we** intend to pursue by way of a subrogated claim, **we** will, at **your** request, include **your** uninsured losses in the subrogated claim. **We** will have sole control over the conduct, strategy, management and settlement of the subrogated claim and **we** will fund all legal costs. **We** will pay **you** any recovery from the subrogation proceedings, less expenses incurred by **us** in such proceedings, in the proportion that the amount that:
 - i any applicable **excess**; and
 - ii any provable and recoverable uninsured loss
 bears to the whole loss amount.

26.3.7. Terms not Relevant to Actual Loss

If payment of a claim is conditional upon compliance with any term of this policy **we** will not pay for any claim where there has been non-compliance with any term of this **policy**, other than a term that defines the risk as a whole and compliance with such term would tend to reduce the risk of loss:

- a) of a particular kind; and/or
- b) at a particular location; and/or
- c) at a particular time;

where **we** will pay for claims if **you** can prove that non-compliance with the term could not have increased the risk of loss, **damage**, injury or liability which occurred in the circumstances in which it occurred.

27. General Terms

The following 'General Terms' apply to all **sections** and **sub-sections** of this **policy** including any extensions, unless otherwise expressly provided.

Where more than one **excess** could be applied to a claim or loss resulting from the same cause at the same time under any **section** or **sections** of the **policy**, only the single highest **excess** will be applied.

27.3. Assignment

Assignment of interest under the **policy** will not bind **us** unless and until **our** written consent is endorsed hereon.

27.4. Average

Where at the time of any loss the total **sum insured** specified in the **schedule** is less than eighty-five percent (85%) of the total value of the **property insured** we will bear only that proportion of the loss which the total **sum insured** bears to the total value of the **property insured**.

This condition does not apply to the 'Equipment Breakdown' **section**, 'Portable Equipment' **section** and 'Cyber' **section**.

27.5. Cancellation

a) Your rights to the cancel the policy

You may cancel this **policy** by giving written notice of cancellation to **us**, quoting **your policy** number:

- a) within fourteen (14) days from the inception day of the **policy**. **You** have the right to cancel the **policy** free of charge and to receive full refund of premium under this **policy**,
- b) after fourteen (14) days from the inception day of the **policy**. **We** may refund any unearned premium calculated pro-rata to the annual premium;

provided that there have been;

- i no claims made under the **policy** for which **we** have made a payment;
- ii no claims made under the **policy** which are still under consideration;
- iii no incident likely to give rise to a claim but is yet to be reported to **us**;

during the current **period of insurance**.

If **you** cancel this **policy** after fourteen (14) days from the inception day of the **policy**, there will be an additional charge of £40 to cover the administrative cost of providing the insurance.

This termination will be without prejudice to **your** or **our** rights or claims incurred prior to the expiration of such notice. If a claim has been submitted or there has been any incident likely to give rise to a claim during the current **period of insurance** no refund for the unexpired portion of the premium will be given.

b) **Our rights to cancel the policy**

We or any agent appointed by **us** and acting with **our** authority have the right to cancel **your policy** at any time during the **period of insurance**, where there is a valid reason for doing so.

Where **we** have not been able to collect premium and **you** have not paid a premium when it is due **we** may give **you** written notice cancelling the **policy** with effect from the seventh (7th) day after the notice has been served on **you**. Notice of cancellation is deemed to be served on the third (3rd) day after being posted by pre-paid letter to the latest correspondence address **we** have for **you** shown on the schedule.

Where **we** cancel the **policy** for any other valid reason **we** will give **you** fourteen (14) days' notice of cancellation in writing, by recorded delivery, to the latest address **we** have for **you** shown on the **schedule**.

We will set out **our** reason for cancellation in **our** notice of cancellation. Valid reasons may include but are not limited to:

- a) where **you** are required to co-operate with **us** or provide **us with** information or documentation and **you** fail to do so in a way that materially affects **our** ability to process the **policy** or **our** ability to defend **our** interests;
- b) where **you** materially fail to take all reasonable precautions to prevent or minimise **damage**, accident or injury as required by the 'Minimisation of risk' condition of the 'General Terms' **section** of this **policy**;

and fail to put this right when **we** ask **you** to by sending **you** seven (7) days written notice to **your** latest address **we** have for **you** shown on the **schedule**;

- c) where **we** reasonably suspect fraud;
- d) use of threatening or abusive behaviour or language, or intimidation or bullying of **our** staff or suppliers.

If **we** cancel **your policy**, **we** will refund the premium for the exact number of days left on the **policy** unless a claim or an incident likely to give rise to a claim has occurred during the current **period of insurance**. No refund will be given if a claim has been submitted or there have been any incidents likely to give rise to a claim during the current **period of insurance**.

27.6. Change of Risk or Interest

This **policy** will be avoided if:

- a) **your** interest ceases other than by death;
- b) the **business** is wound up or carried on by a liquidator or receiver or permanently discontinued at any time after the commencement of this insurance unless **we** have accepted the change.

Nothing contained in this **policy** will give any right against **us** to any person other than **you** except to a transferee approved by **us**.

27.7. Compliance with policy terms

You and anyone acting on **your** behalf must each comply with every applicable provision of the **policy**.

To the extent this insurance provides a benefit to any other party, **you** must arrange for each insured party to comply with every applicable provision of the **policy**.

If **you** or anyone acting on **your** behalf breaches any provision of the **policy**, **we** may, without prejudice to any of **our** other rights, reject or reduce sums payable to the extent that **our** liability under the **policy** has been incurred or increased by reason of the breach. If the breached term is a condition precedent, **we** will not indemnify **you** for any part of **your** claim.

If **we** have paid any sums to **you** or anyone acting on **your** behalf for which **we** were not liable (whether by reason of breach of any provision of the **policy** by **you** or anyone acting on **your** behalf or for any other reason) **you** must promptly repay such sums to **us**.

To the extent **we** waive all or some of **our** rights in relation to any obligation on **you**, this will not prevent **us** from relying on any provisions in the future and any delay in reliance or any partial reliance by **us** will not prevent **us** from relying on any such provisions, in whole or in part, in the future.

27.8. **Contract (Rights of Third Parties) Act 1999 and Contract (Third Party Rights) (Scotland) Act 2017**

This **policy** does not confer or create any right enforceable under the Contracts (Rights of Third Parties) Act 1999 or the Contract (Third Party Rights) (Scotland) Act 2017 by any person who is not named as the **insured** and both **you** and **us** may amend, cancel or terminate this insurance without giving notice to, or requiring the consent of, any other third party. However, this will not preclude rights enforceable under the Third Parties (Rights against Insurers) Act 2010.

27.9. **Data privacy notice**

Any personal data provided to **us** will be processed in compliance with all applicable laws and regulations and in accordance with the privacy notice which can be found at <https://qbeeurope.com/privacy-policy/>. Alternatively the **you** may contact **us** by writing to the Data Protection Officer to request a copy of the full privacy notice by email: dpo@uk.qbe.com or by writing to the: Data Protection Officer, QBE European Operations, 30 Fenchurch Street, London EC3M 3BD.

27.10. **EU Coverage**

a) Any automatic coverage provided by this **policy** for:

- i entities acquired by, merged with, or established by, **you**;
- ii property or other interests acquired by **you**; or
- iii additional insureds;

will not apply to the extent that, as a result of the **United Kingdom's** withdrawal from the European Union, **we** are not permitted by applicable law or regulation to provide that coverage and/or would become exposed to legal or regulatory sanction as a consequence of providing that coverage.

b) In the case of any grant or exclusion or restriction of coverage in respect of **your** liability under or compliance with European Union law or regulation, following the United Kingdom's withdrawal from the European Union, any reference in this **policy** to European Union law or regulation will include equivalent domestic laws of England & Wales, Scotland and/or Northern Ireland or equivalent **United Kingdom** regulation.

c) If this clause conflicts with any other clause in the **policy**, the terms of this clause will prevail.

27.11. **Exchange rate**

In the event of a payment being made under the **policy** in any other currency than pounds sterling (GBP), for the purposes of the 'Employers' Liability and 'Public and Products Liability' **sections** only the exchange rate applicable will be the free rate of exchange at the date that settlement is agreed and for all other **sections**, the exchange rate applicable for each month that the loss accrues will be the exchange rate at the mid-point of each month during the accrual of the loss.

27.12. **Fair Presentation of the Risk**

You must make a fair presentation of the risk (as set out in the Insurance Act 2015 or successor or amending legislation) in proposing for, or proposing to vary, this insurance.

27.12.1. **Remedies for breach of the duty of fair presentation - proposing for this insurance**

If **you** or anyone acting on your behalf breaches **your** duty of fair presentation then **our** remedies shall be as follows:

- a) if such breach is deliberate or reckless, **we** may:
 - i treat this **policy** as having been terminated from its inception; and
 - ii retain the premium;

- b) if such breach is not deliberate or reckless and **we** would not have entered into this **policy** but for the breach, **we** may by notice to you treat this **policy** as having been terminated from its inception in which case **we** shall return the premium; and
- c) in all other cases if, but for the said breach, **we** would have entered into this **policy** but:
 - i on different terms (other than terms relating to the premium), **we** may require that this **policy** is treated as if it had been entered into on those different terms from the outset; or
 - ii would have charged a higher premium, **we** may reduce proportionately the amount to be paid on a claim (and, if applicable, the amount already paid on prior claims).

In those circumstances, **we** shall pay only X% of what **we** would otherwise have been required to pay, where $X = (\text{premium actually charged/higher premium}) \times 100$.

27.12.2. Remedies for breach of the duty of fair presentation - Variation

If **you** or anyone acting on **your** behalf breaches **your** duty of fair presentation in relation to a variation of this **policy**, **our** remedies shall be as follows:

- a) if such breach is deliberate or reckless, **we** may:
 - i treat this **policy** as having been terminated from the time when the variation was concluded; and
 - ii retain the premium;
- b) if such breach is not deliberate or reckless and **we** would not have entered into the variation but for the breach, **we** may by notice to **you** treat this **policy** as having been terminated from the time when the variation was concluded in which case **we** shall return the relevant premium; and
- c) in all other cases if, but for the said breach, **we** would have entered into the variation but:
 - i on different terms (other than terms relating to the premium), **we** may require that the variation is treated as if it had been entered into on those different terms from the outset;
 - ii would have increased the premium by more than **we** did or at all, **we** may reduce proportionately the amount to be paid on a claim arising out of events after the variation. In those circumstances, **we** shall pay only X% of what **we** would otherwise have been required to pay, where $X = (\text{premium actually charged/higher premium}) \times 100$; or
 - iii would not have reduced the premium by as much as **we** did or at all, **we** may reduce proportionately the amount to be paid on a claim arising out of events after the variation. In those circumstances, **we** shall pay only X% of what **we** would otherwise have been required to pay, where $X = (\text{premium actually charged/reduced total premium}) \times 100$.

In respect to conditions 27.12.1 and 27.12.2, where this **policy** provides benefits to individuals who would, if they had taken out similar insurance in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession, **we** will not rely on this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to that particular individual, unless the individual (or **you** on their behalf) makes a careless misrepresentation, in which case **we** may rely on this condition as against that particular individual as if a separate insurance contract had been issued to them leaving the remainder of the **policy** unaffected.

27.13. Inspection and audit

We or **our** representative will be permitted to inspect **your** property and operations with reasonable notice. Such inspections do not warrant that the property or operations are safe.

27.14. Insurance Act 2015

Nothing in the **policy** is intended to vary the provisions of the Insurance Act 2015.

27.15. Legislation and other requirements

All Acts of Parliament, laws, regulations, standard form contracts and permits (in each case, as applicable) referred to in this **policy** will include any deriving rule, order, regulation, permit, contract or instrument and will include any subsequent amendment, replacement, consolidation or reenactments.

27.16. Material changes during the policy period

You must notify **us** as soon as reasonably practicable and in any event within thirty (30) days of any material change to **you**, **your business** or the risks insured if indemnity under this **policy** is sought in relation to any such change.

We will not indemnify **you** for any liability arising out of a material change for which indemnity would otherwise have been available under this **policy** unless **we** have received notification from **you** of the material change and **we** have provided valid confirmation of cover, whether by an express term of the **policy**, endorsement, written confirmation or otherwise and **you** have paid any additional premium that **we** require.

If the risk is unacceptable to **us** **we** may cancel the **policy** in accordance with the 'Our Rights to Cancel the **Policy**' in the 'Cancellation' condition in this **section**.

If **you** do not tell **us** about a material change to **you**, **your business** or the risks insured by this **policy**, **we** may:

- a) terminate the **policy** back to the date when the change occurred, if **we** would have cancelled the **policy** had **you** told **us** of the change in risk;
- b) proportionately reduce the amount payable in respect of a claim; and/or
- c) treat the **policy** as if it contained such different terms (other than relating to the premium) that **we** would have applied to the **policy** had **you** told **us** of the change in risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the change in risk occurred.

Where **we** elect to proportionately reduce the amount payable in respect of a claim, **we** will pay a percentage of the claim, calculated by comparing the premium which **you** actually paid with the premium which **we** would have charged had **you** told **us** about the change in risk. For example, if the premium which **you** actually paid is fifty percent (50%) of the premium **we** would have charged, **we** will only pay fifty percent (50%) of any claim.

27.17. Minimisation of risk

You must:

- a) take all reasonable steps at **your** own expense to prevent an accident, event, occurrence, loss or **damage** or injury arising or continuing;
- b) maintain the **premises**, machinery equipment and furnishings in a good state of repair;
- c) exercise due care in the selection and supervision of **employees**;
- d) comply with all relevant statutory requirements, manufacturers' recommendations and other regulations relating to the use, inspection and safety of property and the safety of persons.

You must take such steps at **your** own expense to the extent that cover under the **policy** has not been confirmed by **us**.

Upon the happening of any accident, event, occurrence, loss or **damage** or injury and at all times thereafter, **you** must act as a prudent uninsured and take all reasonable measures as are appropriate to avoid or minimise any claims which arise or may arise.

Any failure by **you** to take such steps will reduce or extinguish **our** liability to indemnify **you** under the **policy** to the extent that such failure has increased the claim under this **policy**.

27.18. Other parties

The interest of such other parties, including lessors, mortgagees, banks and hire purchase companies, is noted in this **policy** but only to the extent of their financial interest in the **property insured**.

In the event of any claim:

- a) **you** must immediately declare to **us** the names of such interested parties; and
- b) **we** will consult with such declared interested parties as regards the manner and method of any indemnity to protect the direct financial interests of such parties.

27.19. Premium adjustment

- a) Where the premium in whole or part is provisionally based on estimates provided by **you**, **you** will keep accurate records and provide such information as **we** require within three (3) months of the expiry of the **period of insurance**. The premium will then be adjusted, and any difference paid by **you**.
- b) At **our** request **you** must supply an auditor's certificate attesting to the accuracy of any calculations.

27.20. Records

We may hold documents relating to this **policy** and any claims under it in electronic form and may destroy the originals. An electronic copy of any such document will be admissible in evidence to the same extent as, and carry the same weight as, the original.

27.21. Recovery of benefits

Where **your** liability in damages is reduced owing to the application of benefits and/or charges under the Compensation Recovery Unit, **your** liability in **damages** will be deemed to include such benefits and/or charges.

27.22. Registration – CONDITIONS PRECEDENT

We will only indemnify **you** if **you** comply with the following condition precedent. Before undertaking any **business** activities which require you to be registered, **you** must be registered with the appropriate Registering Authority and comply with the terms of **your** registration at all times.

27.23. Reinstatement of Sum Insured

In the event of **damage** under this **policy**, unless **we** provide written notice to the contrary, **we** will automatically reinstate the **sum insured**, provided that **you**:

- a) undertake to pay the **us** any additional premium **we** require; and
- b) implement any recommendations **we** make to prevent further **damage** within a timescale **we** reasonably require and effect all repair or replacement work without delay.

27.24. Representation

Where more than one entity is designated as 'Insured' the first named insured on the **schedule** will act on behalf of all named insureds and other parties covered under the **policy** with respect to the giving and receiving of any notices from us or their representatives including any notice of cancellation. The payment to the first named insured of any return premium that **we** may pay under the **policy** will satisfy our obligations to return premium to any other party covered by this **policy**.

27.25. Risk survey

- a) **We** reserve the right to carry out a survey of the **property insured** at any time. **We** may choose to impose one or more risk improvement requirements as conditions or conditions precedent should they be of sufficient importance to **us**. **We** retain the right to cancel suspend or alter the terms of the insurance provided by this **policy** should the survey show the risk or any part thereof to be unacceptable to **us** or requiring improvement.
- b) Under no circumstances will a survey relieve **you** of **your** obligations to comply with all of the **policy** terms, conditions, conditions precedent and requirements and **you** should not assume that because a breach has not been raised during or following a risk survey that **we** are aware of it and have decided to accept it.
- c) **Your** compliance with risk improvement requirements imposed during previous policy years will continue to be required.

27.26. Sanction limitation and exclusion

We will not provide cover nor indemnify **you** for any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us** or any member of **our** group to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of any country.

27.27. Security – CONDITIONS PRECEDENT

We will only indemnify **you** if **you** comply with the following conditions precedent to any claim resulting from fire, theft or malicious **damage**. **You** must at all times ensure that:

- a) security devices are properly maintained, in good and effective working order and put into full and effective operation whenever the **premises** are closed for **business** or left unattended;
- b) keys and all details of any codes or combinations relating to any part of the **intruder alarm installation** and any safe or strongroom are removed from the **premises** whenever the **premises** are closed for **business** or left unattended;
- c) fire break doors and shutters in the **buildings** are maintained in good and effective working order and that openings protected by such doors and shutters are clear of obstruction at all times and all such doors and shutters other than those fitted with fusible links are closed except during **business hours**;
- d) **you** notify **us** in writing as soon as reasonably practicable of alterations or additions to or changes in or removal of security devices.

27.28. Subscribing insurer

Insurers' obligations under the **policy** are several and not joint and are limited solely to the extent of their individual subscription. No insurer is responsible for the subscription of any co-subscribing insurer.

27.29. Tracing office database

We will add **your** details and those of any subsidiary companies to the Employers' Liability Tracing Office ("ELTO") database where **we** provide an indemnity under the Employers' Liability (Compulsory Insurance) Regulations 1998.

You must supply **us** with **your** details and those of any subsidiary companies as required by the ELTO at inception of the **policy** and promptly thereafter following any acquisition, disposal or creation of any subsidiary company.
